

Expected Behaviour for Effective Learning

The Wilmslow Way: Visible Student Classroom Behaviours

In every lesson, everyday

- 1. We follow staff instructions immediately** so that it maximises our time spent learning and working in every lesson and subject.
- 2. We are silent, paying attention and actively listening to the teacher when they are talking to the whole class** so that you, and your peers will understand your teacher's explanations and instructions clearly and make progress in every lesson and subject.
- 3. We let other students get on with their work without distraction** so that every student can focus 100% of their attention on their classwork in every lesson and subject.
