

## Activity 7 – Interface testing

NOTE: The type of test and error column have been removed so that the contents fit better on the screen.

Test No	Test data	Expected results	Add screenshot(s) of the results of this test (and any retests) Ensure you show the test data used in the screenshot(s)
1	Open the form	Subject ID will be (New) Level will be 0	
2	SubjectID: 11 Title: GCSE Maths Level: 3 Faculty: 0	An error message to appear saying the text you entered is not an item in the list and to select an item from the list	

Test No	Test data	Expected results	Add screenshot(s) of the results of this test (and any retests) Ensure you show the test data used in the screenshot(s)																																													
3	SubjectID: 12 Title GCSE Biology Level: 1 Faculty: Science and Maths	Record to be saved in the subject table Form to clear Message to appear telling the save has taken place	<p>The screenshot shows the 'Add a Subject' interface. At the top, there's a header 'Add a Subject' with a close button. Below it, a message says 'You must add data where * appears. Click the save button to save the new subject'. The form has fields for SubjectID (12), Title (GCSE Biology), Level (1), and Faculty (Science and Maths). A 'Save' button is at the bottom. A message box says 'The subject has been saved'. Below the form is a table with columns: SubjectID, SubjectTitle, SubjectLevel, FacultyID, and Click to Add. The table contains 12 rows, with the 12th row highlighted in blue.</p> <table border="1"> <thead> <tr> <th>SubjectID</th> <th>SubjectTitle</th> <th>SubjectLevel</th> <th>FacultyID</th> <th>Click to Add</th> </tr> </thead> <tbody> <tr><td>1</td><td>GCSE Business</td><td>2</td><td>2</td><td>1</td></tr> <tr><td>2</td><td>International GCSE Business</td><td>2</td><td>2</td><td>1</td></tr> <tr><td>3</td><td>GCSE Art and Design</td><td>2</td><td>2</td><td>3</td></tr> <tr><td>4</td><td>BTEC Business</td><td>3</td><td>3</td><td>1</td></tr> <tr><td>5</td><td>A Level Chemistry</td><td>3</td><td>3</td><td>2</td></tr> <tr><td>6</td><td>AS Level Chemistry</td><td>3</td><td>3</td><td>2</td></tr> <tr><td>12</td><td>GCSE Biology</td><td>1</td><td>1</td><td>2</td></tr> <tr><td>(New)</td><td></td><td>0</td><td>0</td><td>0</td></tr> </tbody> </table>	SubjectID	SubjectTitle	SubjectLevel	FacultyID	Click to Add	1	GCSE Business	2	2	1	2	International GCSE Business	2	2	1	3	GCSE Art and Design	2	2	3	4	BTEC Business	3	3	1	5	A Level Chemistry	3	3	2	6	AS Level Chemistry	3	3	2	12	GCSE Biology	1	1	2	(New)		0	0	0
SubjectID	SubjectTitle	SubjectLevel	FacultyID	Click to Add																																												
1	GCSE Business	2	2	1																																												
2	International GCSE Business	2	2	1																																												
3	GCSE Art and Design	2	2	3																																												
4	BTEC Business	3	3	1																																												
5	A Level Chemistry	3	3	2																																												
6	AS Level Chemistry	3	3	2																																												
12	GCSE Biology	1	1	2																																												
(New)		0	0	0																																												

Test No	Test data	Expected results	Add screenshot(s) of the results of this test (and any retests) Ensure you show the test data used in the screenshot(s)
4	Open the form	The highest test week of 10/01/2022 to automatically appear in the Test Week field and the rest of the fields to be blank	 <p>The screenshot shows the 'Add Test Results' form. The 'Test week' field is populated with '10/01/2022'. The 'Select the subject' field is empty. The 'Max mark' field is empty. The 'Number of students', 'Highest mark', and 'Lowest mark' fields are empty and marked with an asterisk (*). The 'Highest %' and 'Lowest %' fields are empty. A message at the top states: 'You must add data where * appears.'</p>
5	Test Week: 10/01/2022 Subject: GCSE Business Max mark: blank Number of students: blank Highest mark: blank Lowest mark: blank Highest % blank Lowest % blank	Max mark will be automatically set to 44	 <p>The screenshot shows the 'Add Test Results' form. The 'Test week' field is populated with '10/01/2022'. The 'Select the subject' field is populated with 'GCSE Business'. The 'Max mark' field is populated with '44'. The 'Number of students', 'Highest mark', and 'Lowest mark' fields are empty and marked with an asterisk (*). The 'Highest %' and 'Lowest %' fields are empty. A message at the top states: 'You must add data where * appears.'</p>

The Highest % to be automatically set to 91%  
The Lowest % to be automatically set to 45%

Test Week: 10/01/2022  
Subject: GCSE Business  
Max mark: 44  
Number of students: 10  
Highest mark: 40  
Lowest mark: 20
